- ◆ August 3rd first day of school!

Principal's News:

Parents,

It is hard for me to realize that school will be out very soon.

Thank you for letting us work with your child this year. Thank you if you volunteered in any way, helped in classrooms, or served on the School Council. I know that it has been a TEAM effort for this year to be so successful. It has been great getting to know our students and watching them learn and grow.

I encourage you to read with your child this summer. I recommend the "summer reading program" at the public library. More information is available on our school web-site.

I will look forward to seeing all of you next year!

Sincerely,
Rosa Harris

FIELD DAY:

Field Day is coming soon! May 14 is Field Day for Kindergarten students. May 15 is Field Day for 1st grade. Field Day will last half the day, 11:30-2:15.

- Tennis shoes only. You may send flip flops or sandals for the ride home.
- Your child must bring a towel and complete change of clothes to be able to participate in water activities. Students will not be allowed to call home if they forget to bring in a change of clothes.
- Please send \$1 for refreshment if you want your child to buy a treat.

Title 1:

All parents are invited to attend the Title 1 meeting on Wednesday, May 13th as we revise our School Wide Plan for the 2015-2016 school year. Also, DON'T FORGET to complete the Title 1 Parent Survey. We value your input and suggestions. The survey was sent home, but it is also available on our school web-site.

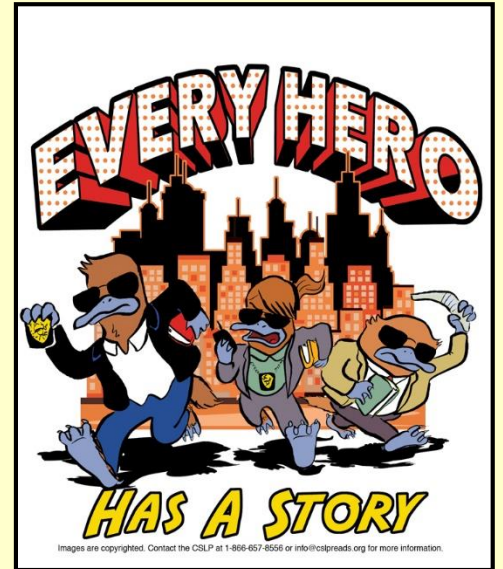

Summer Reading at Elbert County Public Library

CALENDAR OF EVENTS IS AVAILABLE ON ECPS WEB-SITE

Kick-off Event

Mark the Date!

**FRIDAY, MAY 29
10:30 A.M.**

Storyteller Barry Stewart Mann will entertain us with **CultureMan**, a different kind of Super Hero.

A NOTE ABOUT EARNING PRIZES AT THE PUBLIC LIBRARY:

Every child may earn a prize for each hour he/she reads or is read to. Just keep track of time spent on the log sheet and present it to Library Staff when ready to claim a prize. It is up to the parent/guardian to determine how much time has been spent reading. Prizes change weekly.

Parent Resource Center

Please feel free to visit our Parent Resource Center located at Blackwell Early Learning Center. The hours are Monday-Friday 8:00-2:00. The phone number is 706-213-4050. Mrs. Wausheka McClary, coordinator, provides information & literature for the parents. She is available to parents with on-going information about the center and offers information and materials that can be checked out for parents to use
